

# Spin-NANO Project Meeting with Industry - Tuesday, 29 January 2019

## LIST OF DELEGATES

(members of Mete Atature's group have also been invited but are not on this list)

### INVITED SPEAKERS

|       |           |                                  |              |           |
|-------|-----------|----------------------------------|--------------|-----------|
| Mark  | Stevenson | mark.stevenson@crl.toshiba.co.uk | Toshiba      | Confirmed |
| Jason | Smith     | jason.smith@materials.ox.ac.uk   | Oxford HighQ | Confirmed |
| Piers | Andrew    | piers.andrew@emberion.com        | Emberion     | Confirmed |

### GROUP LEADERS

|            |              |                                  |   |           |
|------------|--------------|----------------------------------|---|-----------|
| Alexander  | Tartakovskii | a.tartakovskii@sheffield.ac.uk   | University of Sheffield                 | Confirmed |
| Mete       | Atatüre      | ma424@cam.ac.uk                  | University of Cambridge                 | Confirmed |
| Caspar     | Clark        | caspar.clark@helia-photonics.com | Helia Photonics                         | Confirmed |
| Friedemann | Reinhard     | friedemann.reinhard@wsi.tum.de   | Technical University of Munich          | Confirmed |
| Jonathan   | Finley       | Jonathan.Finley@wsi.tum.de       | Technical University of Munich          | ?         |
| Guido      | Burkard      | guido.burkard@uni-konstanz.de    | University of Konstanz                  | Confirmed |
| Khaled     | Karraï       | Khaled.Karraï@attocube.com       | attocube systems AG                     | Confirmed |
| Bernhard   | Urbaszek     | urbaszek@insa-toulouse.fr        | National Centre for Scientific Research | Apologies |
| Klaus      | Ensslin      | ensslin@phys.ethz.ch             | ETH Zürich                              | Confirmed |
| Atac       | Imamoglu     | imamoglu@phys.ethz.ch            | ETH Zürich                              | Apologies |
| Richard    | Warburton    | richard.warburton@unibas.ch      | University of Basel                     | Maybe?    |
| Daniel     | Loss         | daniel.loss@unibas.ch            | University of Basel                     | ?         |
| Ronald     | Hanson       | r.hanson@tudelft.nl              | Delft University of Technology          | Apologies |
| Lieven     | Vandersypen  | l.m.k.vandersypen@tudelft.nl     | Delft University of Technology          | Apologies |
| Ferdinand  | Kuemmeth     | kuemmeth@nbi.ku.dk               | University of Copenhagen                | Confirmed |

### EARLY STAGE RESEARCHERS

|            |            |                                 |   |           |
|------------|------------|---------------------------------|---|-----------|
| Alessandro | Catanzaro  | a.catanzaro@sheffield.ac.uk     | University of Sheffield                 | Confirmed |
| Luca       | Sortino    | l.sortino@sheffield.ac.uk       | University of Sheffield                 | Confirmed |
| Alejandro  | Rodriguez  | ar820@cam.ac.uk                 | University of Cambridge                 | Confirmed |
| Najwa      | Sidqi      | Najwa.Sidqi@helia-photonics.com | Helia Photonics                         | Confirmed |
| Andrii     | Volkovskiy | Andrii.Volkovskiy@wsi.tum.de    | Technical University of Munich          | Confirmed |
| Matthew    | Brooks     | matthew.brooks@uni-konstanz.de  | University of Konstanz                  | Confirmed |
| Samarth    | Vadia      | Samarth.Vadia@attocube.com      | attocube systems AG                     | Confirmed |
| Marco      | Manca      | manca@insa-toulouse.fr          | National Centre for Scientific Research | Confirmed |
| Riccardo   | Pisoni     | pisonir@phys.ethz.ch            | ETH Zürich                              | Confirmed |

|                              |           |                                       |  |           |
|------------------------------|-----------|---------------------------------------|--|-----------|
| Sigurd                       | Flagan    | sigurd.flagan@unibas.ch               | University of Basel                                      | Confirmed |
| Yanick                       | Volpez    | yanickandre.volpez@unibas.ch          | University of Basel                                      | Confirmed |
| Matteo                       | Pompili   | M.Pompili@tudelft.nl                  | Delft University of Technology                           | Confirmed |
| Stephan                      | Philips   | S.G.J.Philips@tudelft.nl              | Delft University of Technology                           | Confirmed |
| Fabio                        | Ansaloni  | fabio.ansaloni@nbi.ku.dk              | University of Copenhagen                                 | Confirmed |
| <b>ADVISORY COMMITTEE</b>    |           |                                       |  |           |
| Manfred                      | Bayer     | Manfred.Bayer@tu-dortmund.de          | TU Dortmund  | Apologies |
| Vladimir                     | Falko     | Vladimir.Falko@manchester.ac.uk       | University of Manchester                                 | Apologies |
| Frank                        | Koppens   | frank.koppens@icfo.es                 | ICFO Barcelona   | Apologies |
| <b>PARTNER ORGANISATIONS</b> |           |                                       |  |           |
| Konstantin                   | Novoselov | konstantin.novoselov@manchester.ac.uk | University of Manchester and National Graphene Institute | Apologies |
| Matthew                      | Markham   | matthew.markham@e6.com                | Element Six  | Apologies |
| Huub                         | Janssen   | huub.janssen@jpe.nl                   | Janssen Precision Engineering                            | Apologies |
| Giorgio                      | Frossati  | giorgio@leidencryogenics.com          | Leiden Cryogenics B.V                                    | Apologies |
| Niko                         | Tombros   | info@hqgraphene.com                   | HQGraphene   | Apologies |
| Arjan                        | Bos       | Arjan.Bos@urenc.com                   | Urenco   | Apologies |
